## Share The Care Program

We strive to always be at the cutting edge of natural health and nutritional technology. You trust your health to us and you help us educate others about what we do, and we wish to express our gratitude.

In appreciation of your trust and your support by sharing your good experiences with others, we are happy to offer you our **Referral Rewards Programs**.

These programs reward you with substantial savings whenever you help us educate your friends, associates and family members about what we do.

### Here are the programs you may participate in:

1. **Just refer your friends and family!** How about this for no nonsense!?! Just tell other people about what we do here and how much better you are feeling. As thanks to you, you will receive HBD dollars as explained below.
2. **Have a tea party!** You host a tea party in your home for your closest friends and family members and Dr. Kristy, Sharlie or Joni will come and speak absolutely free. As a thank you, you will receive a \$50 gift certificate towards any purchase in our office. IN ADDITION, all your guests will receive a coupon for 25% off their initial new patient visit with one of our practitioners.
